

LIFETIME
— STRUCTURAL —
GUARANTEE
DESIGNED & MANUFACTURED IN THE U.K.

Now with a 10 year guarantee, Design 2000 is a name synonymous with strength and reliability. Additionally the one piece welded frame is covered by a lifetime structural guarantee.

A firm favourite with facility managers the Design 2000 800 series has kept ahead of the field by continual product development.

The most up-to-date equipment and manufacturing techniques yield high efficiencies, while maintaining the Gresham reputation earned over twenty five years.
